Skegness and District Hospital

Secretary's Report for the year 1943

THE EXECUTIVE COMMITTEE have pleasure in presenting to subscribers the Thirty-first Annual Report of the working of the Institution, as prepared by the Secretary.

Accommodation and Staff

The present accommodation for in-patients is Twenty-three Beds and Nine Private Wards, including the Maternity Section of Four Beds and Three Private Wards.

The continuance of hostilities and the consequent heavy demands of the Fighting Services on the Nursing and Medical professions have rendered the problem of maintaining the staffs of our Voluntary Hospitals one of considerable anxiety and difficulty. This Hospital, like many others, could not hope to maintain its full staff complement, but with the addition of members of the Civil Nursing Reserve and temporary nurses engaged through the medium of Nursing Institutions, the Hospital's work has been accomplished with efficiency and smoothness, for which the members of the Hospital Staff are to be congratulated and warmly commended.

Medical Staff

The local Medical Staff consists of Drs. M. Backwell, J. Baxter (Burgh), W. Brownlie, R. N. Kinnison (Wainfleet), J. D. O'Neill, A. S. Paterson (Hogsthorpe), B. Sweeten and T. R. Wilson (Wainfleet). With the exception of Drs. Backwell, O'Neill and Paterson, who are now serving with H.M. Forces, all have been in regular attendance, and timely and valuable assistance has also been given by Dr. J. N. Jackson, who has been co-opted as a temporary member.

In-patients

During the year the number of in-patients was 511, viz., 252 male and 259 female, an increase of 21 as compared with the previous year. Of these cases 118 were surgical, 205 medical and 188 maternity. 73 general and 15 local anaesthetics were administered, and 88 operations were performed, as compared with 130 in 1942.

73 persons were admitted during the year suffering from injuries received in road and other accidents. The 1942 total was 104.

There have been 12 deaths, 7 of which occurred within 48 hours of admission.

Out-Patients

The out-patients numbered 611, 164 minor operations were performed, 45 general and 60 local anaesthetics were administered, and 465 dressings were given.

X-Ray Department

During the year 1684 X-Ray cases have been dealt with, as compared with 941 in 1942. The scale of charges is extremely moderate, and fees are payable at the time of examination. The work of this Department again shows a very heavy increase, mainly due to the larger number of cases dealt with under the Emergency Hospital Scheme, viz. 1475 as compared with 775 in 1942.

Maintenance Account

The Maintenance Account for the year shows an Income of £5371/13/2 and an Expenditure of £5245/11/1½. The Balance in hand at the close of the year was £595/15/2½.

Total Cost ...				5187	5	12	3	...	4675	5	4	4

The above costs include Out-patients' Department Expenditure, which could only be separated by estimates and apportionments.

It will be noted that the average total cost per week of each in-patient in 1943 is 7/11 higher than in 1942, but is 1/7 less than the cost in 1941, which worked out at £5/13/10. 75% of the increase over 1942 is reflected in higher salaries and wages, due to the adoption by this Hospital of the scale of Nursing Salaries recommended by the Rushcliffe Committee which came into force from 1st April, 1943.

The Expenditure on Provisions covers the feeding of both patients and staff, and the food costs per person per week work out at 8/2½ in 1943 as compared with 9/7½ in 1942. This is an extremely satisfactory figure, in view of the present high cost of foodstuffs, and can only have resulted from careful and efficient housekeeping.

Income and Expenditure

In these difficult times, with an all-round increase in costs, Expenditure has, as might be expected, shown an increase of £523, but it is consoling to off-set against this an increase of £402 on the Income side, and to be able to record an excess of Income over Expenditure for the year amounting to £126. The arrangement with the Ministry of Health, whereby 12 of our beds have been reserved under the Emergency Hospital Scheme, has again operated throughout the year. The net amount received from the Ministry shows an increase of £142 over 1942, and it is patent that without the Ministry's help the Hospital's sound financial position would prove difficult to maintain, despite the commendable support which it receives from the people of Skegness and District and from various sources.

Annual Subscriptions and Collecting Boxes

The yield from Annual Subscriptions and Collecting Boxes was £375/15/4½, as compared with £341/16/0½ in 1942. This pleasing increase is a tribute to the diligence and efficiency with which our Honorary Collectors have canvassed their districts, and the generous appreciation shown by subscribers of the work done by the Hospital for the relief of suffering.

The detailed list of contributions will be found on pages 7 to 15 of this Report.

Donations

Donations, which are shown in detail on page 6 total £117/19/11, as compared with £181/4/5½ in the previous year. The list is headed by a handsome donation of £50 from H.M.S. Royal Arthur Canteen Committee in gratitude for treatment given to the families of Naval personnel stationed in the district.

Offertories

Offertories (see page 6) have been received from three Churches, but it must be admitted with regret that this Hospital has reason to envy other Hospitals the more substantial support which they receive from the places of worship in the localities which they serve.

Sundry Collections

Sundry Collections are listed on page iii of cover and total £1219/7/2½, as compared with £1029/10/3¼ in 1942. Of this no less than £775/17/6 accrues from Sunday Entertainment Act Contributions covering the year ended 30th September, 1943, but it is learnt with a considerable measure of concern that the basis on which these Contributions are computed has been drastically revised, and that the future yield to the Hospital from this source will in consequence shrink very appreciably. Such a prospect must be viewed with apprehension, coming, as it does, at a time when the Hospital is temporarily deprived of various lucrative sources of revenue on which it was able to rely in pre-war days.

The Annual Rose Day Collections in Skegness and Burgh were again successfully organised by Mrs. B. H. Foster and Mrs. J. Hanson respectively, and these ladies, together with the band of helpers who rallied to their aid so enthusiastically, are to be warmly congratulated and thanked for the results they attained. The Rose Day total of £142/4/4 was made up as follows:—

	£	s.	d.
Skegness & Winthorpe	132	17	8
Burgh - - - -	11	4	4
Chapel St. Leonards -	7	0	11
Ingoldmells - - -	3	15	0
Orby - - - - -	2	0	5
	156	18	4
Less Expenses -	14	14	0
	£142	4	4

Burgh's share of £11/4/4 actually slightly exceeded its previous record.

Weekly Contributory Scheme

Details of the weekly contributions appear on pages 16-17. Thanks to the contributions received from the employees of Messrs. Higgs & Hill, Ltd., a firm which had not figured in earlier lists, the total received, viz., £421/8/5, exceeds the 1942 total by about £116. Many contributors are serving in H.M. Forces, so that the pre-war volume of contributions can hardly be expected to

be maintained, but the Committee controlling the Scheme, with Mr. T. W. Hodgson as Chairman and the indefatigable Mr. Arthur Degg as Honorary Secretary, are ever on the look-out for new contributors. The Scheme is not confined to employees only, and all persons deemed eligible by the Committee may become contributors.

The advantages accruing from the Scheme cannot be emphasized too strongly, and all persons eligible are urged to get in touch without delay with the Hon. Secretary, Mr. Degg, 32, Richmond Drive, Skegness, who will readily furnish full particulars.

The small sum of one penny per week entitles the contributor to free Hospital Maintenance and nursing, and wives and children of contributors are eligible for inclusion in the Scheme at the same rate.

The provision of free accommodation for the Meetings of this Committee by the management of the Kit-Cat Cafe, High Street, Skegness, is gratefully acknowledged.

During the year 21 contributors received free treatment, their combined stay in Hospital representing a total of 220 patient days.

Wainfleet Bed

Mrs. T. R. Wilson, who has for many years been so tireless in her efforts to enlist the help of Wainfleet supporters, has expressed the view that they should not rest content with having reached the £500 minimum required for the endowment of a "Wainfleet Bed," but should aim at a £1000 target.

The amount so far raised is:—

Acknowledged in 1942 Report	£524	5	1
Received in 1943	30	12	5
	<u>£554</u>	<u>17</u>	<u>6</u>

and Mrs. Wilson has the warmest wishes of the Committee for success in her laudable enterprise.

Obituary

The Hospital has suffered grievous loss by the death of two loyal and ardent supporters, Mr. F. V. G. Lewin and Mrs. Stanley Wallace, J.P. Mr. Lewin had filled the position of Hon. Treasurer since 1929, and his sudden death from heart failure during the course of an Executive Committee Meeting on 1st March last came as a great shock to those present. He was a firm believer in the Voluntary Hospital movement, and his advice and judgment were of the greatest help when questions of financial policy had to be considered.

The death of Mrs. Wallace in September last also came with painful suddenness. From the Hospital's earliest days Mrs. Wallace was always closely identified with its activities, and she will be long remembered for her valuable services for many years as Honorary Secretary of the Ladies' Committee, during which time she made herself responsible for the organisation of Flag Days, Dinner Table Collections and innumerable other efforts to augment the Hospital's funds. In recognition of her outstanding service Mrs. Wallace was elected a Vice-President in 1941, and she also acted for some years prior to her lamented death as Chairman of the Ladies' Committee.

Bequests

Advice has been received that under the Will of the late Mrs. Wallace the sum of £500 has been bequeathed for the endowment of a "Stanley and Marion" Bed; also that the late Mr. Harry Cawsey bequeathed to the Hospital a one-sixth share of the residue of his Estate, subject to certain life interests and the payment of certain legacies.

Emergency Hospital Scheme

Emergency Medical Service Cases treated at this Hospital in 1943 accounted for 2277 patient days out of the total of 6465. In addition, 1475 X-Ray examinations have been made, and out-patient treatment has been given to 206 cases.

Hospital Linen Association

Reference should be made to the valuable assistance which the Hospital continues to receive from the Hospital Linen Association. The Association, which functions under the energetic Presidency of Mrs. William Ball, takes upon itself the task of maintaining the Linen supplies of the Hospital. In accomplishing this purpose, the Association has expended in 1943 out of its funds the sum of £139/17/1, and its meritorious help is very gratefully acknowledged.

Hospital Debt Clearance Fund

Mr. G. H. Hannam, on assuming office last year as Chairman of the Skegness Urban District Council, conceived the happy idea of marking his year of office by launching a fund for the purpose of liquidating the debt of approximately £4000 on Extensions Account. Undaunted by pessimistic prophecies as to the impossibility of raising such a large sum within such a short time, Mr. Hannam, with commendable and characteristic energy, immediately proceeded to set about his task. Up to the present the sum of £2300 has been raised, and Mr. Hannam is confident of his ability to wipe out the debt in its entirety. All friends of the Hospital will wish him success in his endeavours, but even if his object should not be wholly achieved, Mr. Hannam has already done sufficient to earn their warmest gratitude.

Thanks to Helpers, etc.

The honorary services of Mr. R. E. Frearson and Messrs. Kenrick Morgan & Co., as Solicitor and Auditors respectively, are cordially acknowledged.

Thanks are also extended to the "Skegness News" and "Skegness Standard" for their readiness to give publicity at all times to matters relating to the Hospital's activities.

The permission granted by the Skegness U.D.C. for the use of the Council Chamber of the Town Hall for Hospital Committee Meetings is keenly appreciated.

Exigencies of space make it impossible to make individual reference to the many other proofs of support and goodwill which the Hospital has received, but those responsible for its direction desire to place on record their deep sense of gratitude for help given so ungrudgingly by all sections of the community.

Conclusion

The Government have recently announced their intention of establishing a comprehensive Health Service for everybody in this country, and have made it clear that they desire the Voluntary Hospitals to take an important part in that service without losing either their individuality or autonomy. It is to be assumed, therefore, that within the framework of the Health Service to be provided, this Hospital will continue its beneficent work of healing the sick and suffering, and those charged with the duty of directing its activities look forward with confidence to continued and ever-growing support from the residents in the district which the Hospital serves.
